

As district patrons, you have generously supported bond issues for the schools to renovate facilities. We have had a great deal of noise, debris, and dust this year as renovations have progressed and it is almost complete. We are now moving into the last phase – the kitchen remodel. In effort to have the kitchen overhaul finished by the start of the new school year in August, it is necessary for the district to move to cold lunches. Below is a menu for the month of May so that you can assist your child in choosing whether to eat in the cafeteria or bring a lunch from home. We appreciate your patience and support as the construction crew begins the kitchen remodel! Please contact your school principal if you have questions or concerns.
